Search profile for a Senior Partner

## **We are looking for an Institutional Sales/Partner**

Who we are

- AC Partners AG concentrates on infrastructure assets and is a specialized investment advisor in this growing sector
- The team consists of 2 dedicated equity portfolio managers with many years of experience in managing private and institutional assets, supported by a wide network of external financial analysts and our proprietary research & valuation model
- We advise a global infrastructure water fund with a size of CHF 40 Mio. and a growth rate of +27.6% p.a. since inception based on our strong vision and value based and focussed infrastructure investment strategy

What we need

- You are self-starter professional, enthusiastic in the field of funds, equities, bonds or alternative investments with a dedicated client base
- A strong commitment for a single infrastructure water fund with capabilities to innovate and support new or digital distribution channels
- Increasing our existing network of investors, foundations, family offices, private banks, pension funds or insurance companies based on your empathic and educated skills and personality

What we offer

- A reliable partnership in a company with a strong vision and a track-record of 10+ years
- A performing and differentiating investment portfolio in the sector listed infrastructure with a high social impact and added value for long-term investors
- Success based compensation with an equity stake in our company with a potentially unlimited financial reward depending on your ability to integrate in our partnership culture and our mission of capturing the growth in the sustainable infrastructure sector

Please provide your CV (in English) to Andreas Schaller, [andreas.schaller@ac-partners.ch](mailto:andreas.schaller@ac-partners.ch).  
For this search, we only consider direct applications of senior professionals / talents.
